Blanco-Pedernales Groundwater Conservation District

601 West Main Street, Johnson City, TX 78636 | (830) 868-9196 | office@blancogroundwatertx.gov

Change in Well Condition or Status

Instructions: This form is used for reporting changes in well conditions or status only and shall be filled out as completely as possible.

Check All Applicable:
( ) This well is being permanently plugged.
( ) This well is being capped and taken out of service and is in a non-deteriorated condition.
( ) The type of use of this well is being changed.
( ) This well is being altered in size or depth.
( ) The annual pumping volume, pump size, or rated pumping capability of this well is being increased.
( ) The pumping capability of this well is being decreased.

Note: After February 11, 2002, conversions of exempt wells to non-exempt uses, changes to any existing wells involving drilling operations, or changes in pumping capability may require the submission of certain application forms and payment of appropriate fees. The District will review each change and inform the well owner of any application requirements or fees.

Well Inspection: District staff shall inspect each well permitted by the District. Property access for inspections is authorized by Texas Water Code, Chapter 36.123 and shall be scheduled with the well owner and conducted in accordance with District Rule 3 and Rule 4.5. Inspections may include confirming well location, measuring water level, confirming pumping capability, water sampling, geological survey, or any other well-related inspection activity deemed necessary by the District.

Well Owner

Well Owner: _____

Mailing Address: _____
(Street or P.O. Box) (City) (ZIP)

Daytime Phone: _____ Alternate Phone: _____

Email Address: _____

Contact Person (if other than owner): _____ Phone: _____

Email Address: _____

Location, Description, and Uses of Well

District Well Registration: _____ State or Temporary Well# _____
Lot or Tract Size: _____ acres. Coordinates Latitude: _____ Longitude: _____
Directions to Well (or attach location map) _____
_____

Driller: _____ Drilling Date if known: _____ Pump Installer: _____
Is Well Operational? ( ) Yes ( ) No; ( ) For existing wells, attach copies of Driller's Log and any Pump Data if available.
Water Used: ( ) On-Site; ( ) Off-Site If off-site, please specify where used: _____

Does this Well have an Operating Permit? ( ) Yes; ( ) No; ( ) Permit application submitted and pending action
Annual Permitted Pumpage (or proposed Annual Pumpage if Permit application is pending) is _____ gallons.

Report All Proposed Changes to Well, Well Pump, or Usage.

Well is to be permanently plugged on or about _____(date) by: _____ (name of driller).
(The well owner and/or driller must discuss the proposed plugging plan or procedure with District staff prior to plugging well)
Well is to be capped and taken out of service on or about _____(date) and is in a non-deteriorated condition.
Current Use of Well: _____
Proposed Use of Well: _____
Current Total Depth of Well if known: _____ft; Proposed Total Depth of Well if known: _____ft.
Current Pump Horsepower if known: _____ Proposed Pump Horsepower if known: _____

Current Pumping Capability in GPM if known: _____Proposed Pumping Capability in GPM if known:_____

Current Casing Diameter if known: _____in; Proposed Casing Diameter if known: _____in.

Current Casing Depth if known: _____ft; Proposed Casing Depth if known: _____ft.

Please indicate any attachments provided with this form:

( ) Copy of District Well Registration Form

( ) Copy of District Operating Permit

( ) Well Location Map or Property Plat. Must be drawn to a scale that adequately details the well site, well site access route, property lines, location of other existing or proposed wells on the tract, existing wells on adjoining tracts which may lie within the spacing required for the proposed well, location of surface storage, location of existing water uses if any, location of existing or proposed on-site wastewater systems, and the location of any other potential source of pollution.

( ) Written Plugging Plan/Procedure. Plan/Procedures per in 16 TAC Chapter 76 requirements.

( ) Other? _____

Owner's or Applicant's Sworn Statement

By signing this document, I hereby swear or affirm that the information given herein is true and accurate to the best of my knowledge and belief, and that I will comply with the Rules of the Blanco Pedernales Groundwater Conservation District. I acknowledge that any false statement is punishable by perjury under Texas Law.

Owner's or Applicant's Signature _____ Date _____
