### **Region K Water Planning Group – September 25, 2025 Meeting Summary**

The Region K Water Planning Group unanimously approved the 2026 Regional Water Plan at its September 25 meeting. The plan will be submitted to the Texas Water Development Board by October 20, marking completion of the current planning cycle. Consultant Neil Deeds and his team finalized all updates for submission.

The group reappointed the Lower Colorado River Authority (LCRA) as the planning sponsor for the next (2031) cycle and authorized LCRA to apply for TWDB grant funding. Members recognized Barbara Johnson and Laurie Gillum for their long-standing service, and confirmed appointments of new and returning members for upcoming terms.

Vice Chair Monica Masters presented a financial report, noting the members' fund balance of \$1,300 and proposed discussions on replenishment for recognition events. A nominating committee chaired by Christine Castleberry was formed to prepare officer recommendations for consideration at the next meeting in early 2026.

Chair David Van Dresar concluded the meeting with a brief reception celebrating adoption of the 2026 Region K Water Plan.
